

Privacy Policy

Guiding Light Mentoring is committed to honoring the privacy of visitors to our website. This privacy statement governs any personal information collected from visitors to www.guidinglightmentoring.org.

Information Collection And Use

The Guiding Light Mentoring website collects information about each visitor to our websites in three ways: (1) through your IP address, which does not contain any personal information, (2) through any email correspondences you send to us, and (3) when you submit information using an online registration or input form on one of our web pages. Guiding Light Mentoring does not share any of this information with third parties or outside sources, unless as needed to verify a credit card transaction or under a court order.

(1) IP Address

Note: Your IP address does not contain or reveal personal information about you. Information such as your name, address, or phone number cannot be obtained through your IP address alone.

Guiding Light Mentoring web servers log all website visitors' IP addresses to automatically collect information about usage of the website. This information is collected only to help diagnose problems with our servers, administer our website, track traffic patterns, and identify ways to make our website more useful. Information is never used to track or monitor individual users.

(2) Email Correspondence

Unless specifically requested, any email messages you send to Guiding Light Mentoring or to a staff member, including your email address, are kept private and will not be disclosed to third parties.

(3) Online Input and Order Forms

Unless specified by the form, all information submitted using our online input and order forms are kept private and will not be disclosed to third parties.

(4) Security

To prevent unauthorized access, maintain data accuracy, and ensure the correct use of information, we have put in place appropriate physical, electronic, and managerial procedures to safeguard and secure the information we collect online.
